The purpose of this step is to ensure that you attend your next treatment session.

When fulfilling this agreement, keep in mind:

- The negative consequences of substance misuse.
- The benefits of refraining from substance misuse.
- And the reasons you should attend treatment.

TREATMENT AGREEMENT

Date _____

--I plan to attend my next treatment session on the following day: _____date:_____

-----at the following time_____and the following location_____.

Patient signature ____ (verbal agreement from _____) _____

Clinician signature _____

PART 8: **VISIT SUMMARY**

We've covered a great deal of information today. Changing your behavior, especially substance use patterns, can be a difficult challenge. Therefore, utilizing more support and assistance from health professional will help you live a more healthy and satisfying life. The following pointers may help you stick with your agreement, especially during the first few weeks when it is most difficult. Remember that you are changing a habit, and that it can be hard work without some help. It becomes easier with time and some professional/caring advice.

- ❑ Read this workbook frequently.
- ❑ Remember the negative effects of substance misuse that you mentioned.
- ❑ Remember the benefits of refraining from substance use that you mentioned.
- ❑ Remember the reasons for attending treatment that you mentioned.
- ❑ Some people have hard days where they may give up hope for improvement. If that happens to you, DON'T GIVE UP. Just start again the next day and remember that there is professional assistance available to you.
- ❑ You should always feel welcome to call your primary care provider for assistance or in case of an emergency.

THANKS FOR TRYING THIS PROGRAM.

**Please keep your workbook handy so you can
review them at the next telephone visit .**
